

Back to School Clothing Drive

Sponsored by the Bonita Springs Chapter of Shoes That Fit

Outfits for children in Bonita Springs & Estero Elementary Schools

In August over 600 Bonita Springs and Estero elementary school children will need new shoes and school uniforms for the beginning of the school year. To eliminate duplication of services, **only children identified by the following schools are eligible for this event.**

- Bonita Springs Elementary
- Pinewoods Elementary
- Rayma C. Page Elementary
- Spring Creek Elementary
- Three Oaks Elementary

Shoes That Fit is a non-profit organization created to easily and quickly get new shoes and clothing to school children in need. Shoes That Fit can make a real difference to the children at our local schools, helping them concentrate on their studies rather than on their circumstances.

- The school identifies the children in need and provides the correct shoe and clothing sizes.
- Needed items are purchased by individuals or sponsoring group.
- The items are packaged and delivered to the school.
- The school distributes the shoes and clothes to the children.

How can you participate?

- Make a donation.
- Enjoy shopping for individual children. Choose a special child to outfit, and purchase the items yourself. Shoppers will receive the first name, age and sizes of the children. A back to school outfit includes: 3 knit shirts; 1 pant, 1 short, sneakers, pack of socks, pack of underwear.
- Volunteer to sort and bag the back to school outfits.

Pat Leggett, M.Ed.
